Scott Eager brought up for K-2 letting boys do poles and barrels but they will still only be able to do five events.

Each family is responsible for \$100 sponsorship, they have to have it turned in by the DuQuion rodeo in July. If your child does not turn it in they will not be able to perform in the finals at Hopedale in August.

We discussed doing the year end awards at a different day than Sunday after the finals. Everyone voted to do it on Sunday after the finals like it has always been.
